TOM CORBETT, SPACE CADET

WHEN SPACE PIRATES STRIKE AT PEACEFUL, INTERPLANETARY TRAVELERS, IT BECOMES A TASK, FOR THE VALIANT SPACE CADETS... AND TOM CORBETT FACES MORTAL DANGER, WITH HIS FELLOW CADETS AS THEY COME TO GRIP WITH...

The OUTLAWS OF URANUS!

ABOARD A SPACESHIP ENROUTE TO TO, A MOON SATELLITE OF THE PLANET JUPITER--

SPICE HUNT! HERE EDWARDSON THE EARTHMAN RANGER, AND TAKE THE GIRL THEY'LL FIND A HEAVY REASON FOR MARLA, THE VENUSIAN AMBAS- SADOR'S DAUGHTER.

IN A FEW MOMENTS, THE CADETS LEAVE LADEN WITH VALIANTS AND TAKING WITH THEM THEIR TWO HOSTAGES--THE PRISONERS AND CAPTORS HAD TOWARDS TWO SMALL SPACESHIPS, WHOSE DEADLY RAY GUNS MENACE THE HUGE INTER- TERRESTRIAL CRAFT--

A SHORT TIME LATER, CAPTIVES AND REDEERS BLAST OFF IN THE DIRECTION OF DISTANT URANUS--

IT HAS THEM ALL RIGHT-- THE OUTLAWS OF URANUS! THEY'LL BE ABLE TO ROUND UP THOSE CRIMINALS, ELSE IT WON'T BE SAFE FOR AN HONEST MAN TO MOVE FROM ONE PLANET TO ANOTHER.

Vol. 2 No. 1

TOM CORBETT, SPACE CADET is published bi-monthly by Fiction Publications, Inc., 1250 Camden Ave. S.W., Canton, Ohio. Editorial offices at 1350 Broadway, New York 19, N.Y. Single copy 10c, subscription 48c (4 issues). Application as second class matter pending at the Post Office at Canton, Ohio. Entire contents copyrighted 1955 by Fiction Publications Co. Printed in the U.S.A.

July-August, 1955

AND THAT SAME DAY, AT HEADQUARTERS, SPACE ACADEMY COMMANDER ARROWPOINT RECEIVES CAPTAIN STRONG POLARS' REPORT, SPACE SQUADRON IN HIS OFFICE.

CAPTAIN STRONG AND POLARS
SQUAD REPORT TO COMMANDER
ARROWPOINT AT HEADQUARTERS.

AT SPACE
DEPTLENER.

AS YOU KNOW, DEPTLENER, WE HAVE BEEN PLANNED BY AN OUTBREAK OF PIRATE ACTS ALONG THE ROUTE TO JUPITER. WE KNOW THESE BANDS ARE THE WORK OF A GANG LED BY THE NOTORIOUS OUTLAW, HORRER. OUR TASK IS TO STOP THESE CRIMINALS AND CAPTURE THEM.

THE RADERS ARE OPERATING FROM LERARS. WE DON'T KNOW THE LOCATION OF THEIR BASE. THAT'S WHY I SENT FOR YOU AND YOUR MEN, STRONG. I HAVE A PLAN--

JACKIES CORBETT AND ASTRO WILL TAKE MESSAGE ON THE SPACE LINE FOR US. THEY WILL WEAR CIVILIAN CLOTHES AND PRETEND TO BE WEALTHY YOUNG MEN ON VACATION. BY FLASHING LOTS OF MONEY, WE HOPE THEY WILL ATTRACT THE ATTENTION OF THE RADERS' SPES, AND PROMOTE AN ATTACK ON THEIR LINE--

AN ATTACK, SIR?

EXACTLY. IT IS OUR HOPE THAT CORBETT AND ASTRO WILL BE CAPTURED, HELD FOR RANSOM AND BROUGHT TO THE GANG'S HEADQUARTERS.

BUT, SIR, I DON'T UNDERSTAND WHAT GOOD WILL THAT DO?

BOTH CORBETTS WILL BE DRAFFED WITH THE NEW, POWERFUL, LABEL TRANSISTOR ELECTRO RADIO SENDERS. CORBETT THIRTEEN WILL BE AT A LISTENING POST ON ASTRODIP DELTA. WHEN HE GETS WORD FROM THEM, OUR TASK FORCE UNDER YOUR COMMAND WILL MAKE A SURPRISE SWEEP ATTACK.

I SEE, SIR. THIS IS A DANGEROUS MISSION--AND NO CORBETTS CAN BE FORCED TO TAKE AN ASSIGNMENT AGAINST HIS WILL. MY CORBETTS WILL HAVE TO SPEAK FOR THEMSELVES.

ER WITH YOU, SIR!

THAT GOES FOR ME, TOO, SIR!

SURE, HERE, SIR!

THAT'S WHAT I THOUGHT. YOUR MEN WOULD BE. YOU MAY RETURN TO YOUR QUARTERS. COMMANDER ARROWPOINT AND I WILL WORK OUT THE DETAILS. DISMISSED!

BACK IN THEIR QUARTERS, TOM AND ASTRO GO WAY TO THEIR JUBILATION, WHILE THISTLE SITS QUIETLY.

FLAMING ROCKETS! HAVE THIS SOMETHING, ASTRO? WINGO! GRANDS—HERE WE COME!

THIS IS TERRIFIC! HOW ABOUT IT, T.J.?

YEAH, IT'S GREAT.

HAPPY THE MATTER WITH YOU, T.J. YOUR COM IS HANDING DOWN TO YOUR KNEE!

LEAVING CORNIC DUST, TOM, NOW DO YOU EXPECT ME TO FEEL HERE YOU BAYS ARE GOING OFF TOURNALS WHEN ALL THE EXCITEMENT IS, AND I'LL BE SITTING ON ON THAT LIMP OF SPACE JUNK—ASTRO'S DELTA?

DON'T LET IT THROW YOU T.J. YOUR PART OF THE JOB IS MORE IMPORTANT THAN OURS. IF YOU DON'T PICK UP OUR MESSAGE—ASTRO AND I WILL BE SUNK!

I GUESS SO?

CAPT. CORNBETT, ASTRO AND THISTLE REPORT TO THE OFFICER'S ROOM FOR FINAL WRAP-UP AND TO DRAW EQUIPMENT.

YES, SIR!

PROCEEDING ACCORDING TO THEIR PRE-ARRANGED PLAN, TOM AND ASTRO ARRIVE AT THE TRANS-STELLAR SPACE STATION ON DELOS, WHERE ---

COME ON ASTRO, LET'S GET RID OF SOME OF THIS AGONY I'LL GET YOU A SPACE DRIVE AT THE LOUNGE.

SURE, FIL, THERE'S STILL FIVE AND THEN WE GET TO GO WELL REALLY HAVE A TIME FOR OURSELVES.

AS TOM AND ASTRO WALK OFF TWO PAIRS OF EYES LOOK AFTER THEM...

ANYON, THOSE ARE THE ONES—BARRON WILL BE PLEASED. LET'S BUY OUR TICKETS FOR THE 20 FLIGHT, I'LL SIGNAL AGAIN WHEN WE'RE IN SPACE.

AT THE SCHEDULED HOUR, THE JUPITER BOUND PASSENGER CRAFT BLASTS OFF, WITH TOM AND ASTRO ABOARD...

DON'T LOOK NOW, ASTRO—BUT I RECOGNIZED ONE OF THOSE MEN BEHIND US. HE'S ANDRON GARCIO—I RECOGNIZED HIM FROM HIS PICTURE IN THE SPACE GUARD FUGITIVE FILE. I HAVE A HUNCH HE'S THE CONTACT MAN FOR NORMAN, ST. THOMAS AND BUREAU... FOR ANYTHING.

CHECK I WONDER HOW WELL SET IN TOUCH WITH THE RAIDERS FIRST TEAM?

PERSUAS ASTRO COULD HAVE SATISFIED HIS CURIOSITY IF HE HAD SEEN ANDRON SOME HOURS LATER...

HE WOULD HAVE SEEN ANDRON PROCEED TO THE WASTE CHUTE WHERE HE DROPPED A SMALL CYLINDER INTO SPACE...

AS THE CYLINDER TUMBLED OUT IN THE WAKE OF THE SPEEDING SHIP, IT BURST INTO BRIGHT FLAME, MARKING THE FLIGHT OF THE STAR LINER...

AND IN A SPEEDY BRACENHIP SOME MILES AWAY THE SIGNAL LIGHT IS PICKED UP BY NORMAN, WHO HAS BEEN SCANNING THE UNSET AND LIMITLESS REACHES OF SPACE THROUGH HIS ASTRO-THERMO-Infra-Red SCREEN...

...A THERE'S ANDRON'S SIGNAL, THAT MEANS IT WILL BE WORTH OUR WHILE TO TAKE THE DO-EUROPA—JUPITER EXPRESS—TELL THE CONTROL DESK TO CLOSE IN, HAVE THE GUN CREW AT THEIR STATIONS, RALPH, CONTACT THE OTHER SHIP!

YES, SIR!

SOON IN THE CONTROL ROOM OF THE RAIDER SHIP—

LOOKING BACK. I LOOK THERE! WHAT ARE THOSE FOOLS TRYING TO DO? THEY'RE CUTTING US OFF—AND THEY CAN'T!

I'LL CALL THEM—24155 TO UNKNOWN. HERE OFF, 24155 READING IN OUR WAY. YEAH OFF!

PULL UP, RAIDERS. PREPARE TO RECEIVE A BOMBING PARTY. OR OUR NEXT SHOT WILL BLAST YOU OUT OF THE SKY!

FORCED TO OBEY THE RAIDERS, THE PILOT OF THE INTER-PLANETARY PASSENGER CRAFT BREAKS TO A DEAD STOP. AS SPACE-SUTTER OUTLAWS MOVE TOWARDS THE LINER—

MOMENTS LATER—

TAKE THOSE TWO THEY'RE CARRYING A LOT OF MONEY, SOME-ONE WILL PAY HEAVY RANSOM FOR THEM!

AFTER WRECKING THE PASSENGER SHIP'S TRANSMITTER, THE RAIDERS BOB THE TRAVELERS AND ORDER THE SHIP CRAFT TO BLAST OFF AS THEY TRANSFER THEIR PASSENGERS THROUGH SPACE TO THEIR OWN SHIPS—

IN A SHORT TIME, TOM AND ASTRO ARE BROUGHT TO STANUS TO THE OUTLAY HIDEOUT IN THE CAVERNS OF THE REMOTE MOUNTAIN AREA OF THE DISTANT PLANET—HUCKEN HIMSELF INTERVIEWING THEM—

THEY'VE NOT GIVE ME ANY INFORMATION? VERY WELL, WE HAVE JUST THE TREATMENT FOR OUR STUBBORN GUESTS— GUNDS! TAKE THEM DOWN TO THE KINES! A LITTLE WORK WILL SOON MAKE THEM CHANGE THEIR MINDS ABOUT TALKING.

ASTRO—I TOOK A FIX OF OUR POSITION. I'LL SEND THE MESSAGE TO T.J.J.

GOOD—I'VE GOT THE POSITION TOO. IT WON'T BE LONG NOW!

THE GUARDS LEAD THE TWO CAPTIVES DOWN INTO THE BOWELS OF THE PLANET'S SURFACE WHERE OTHER PRISONERS ARE TOLDED IN THE DEEP PIT OF A MINE, DISHING OUT PRECIOUS ITEMS AND OTHER MINERALS...

WELL, I KNOW YOU FROM YOUR PICTURES YOU ARE MARLA, THE VERUSIAN AMBASSADOR'S DAUGHTER!

YES, BUT DON'T LET THEM KNOW I WOULDN'T GIVE MY NAME. OH, IF YOU CAN HELP US-- PLEASE-- WE'LL ALL DIE--

I'M GOING TO DO MY BEST, NOW WORK CLOSE TO ME, I'M GOING TO TRY AND SEND A MESSAGE.

MUFFLING HIS VOICE, TOM SETS THE TINY, BUTTON SIZE TRANSMITTER INTO OPERATION--

AND VEELS AWAY, IN THE LISTENING CUP-POST ON ASTEROID DELTA, SHE'LL KEEP HIS LOVELY VIBES--

MOMENTS LATER, THE LONG-HAIR RECEIVER COMES ALIVE AND TOM'S INSTANT MESSAGE IS RECEIVED, BUT NOONE IS THERE TO HEAR IT--

DOWNWOOD, THIS IS CAPTIVE, POSITION VECTOR TWELVE-ONE-NINE-FOUR--EIGHT-ONE-EIGHT--REPORT VECTOR TWELVE-ONE-NINE-FOUR--EIGHT-ONE-EIGHT--ADAMANT NINETY-FIVE--RED ALIVE--ELEVEN.

JUMPING COSMIC DUST, THIS IS THE MOST BORING-JOB I'VE EVER DONE. THERE WON'T BE ANY MESSAGE TODAY. I THINK I'LL STROLL OVER TO THE CACTUS, THERE'S A PRETTY GOOD ASTRO-TALE TELLER COMING ON IN A FEW MINUTES.

DOWNWOOD, THIS IS CAPTIVE, POSITION VECTOR TWELVE-ONE-NINE-FOUR--EIGHT-ONE-EIGHT--REPORT VECTOR TWELVE-ONE-NINE-FOUR--EIGHT-ONE-EIGHT--ADAMANT NINETY-FIVE--RED ALIVE--ELEVEN.

AND ON BEHOLD, AS TOM FINISHES HIS URGENT MESSAGE, AN ALERT GUARD NOTICES THAT HE IS NOT WORKING, AND--

SEIZE THAT MAN!

ASTRO! GET OUT OF HERE, KEEP BROADCASTING. HIDE IN THE OLD MINE TUNNEL, WE'LL TURNED, I'LL PUT UP A FIGHT TO COVER YOU.

TOM FIGHTS BOLDLY AND GAMELY UNTIL--

OVER UPON THE HALL THE GUN!

ALL RIGHT--I SURRENDER!

IN THERE, INTO SOLITARY. HORROR WILL DECIDE WHAT TO DO WITH YOU IN THE MORNING.

AND WE'VE GOT A PRETTY GOOD IDEA WHAT HE'LL DO. HE DOESN'T LIKE TROUBLE-MAKERS. YOU'D BETTER SAY YOUR PRAYERS. FAL, YOU'RE GOING TO NEED THEM.

I'VE GOT TO THINK OF SOMETHING. THEY'LL KILL ME SURE. I KNOW...

CHHH... CHHH...
SHOULD I'M SICK!
I'M SICK!

ALL RIGHT...
ALL RIGHT...
WAIT A
MINUTE.

NOPE, NOT... UHHH /

ALL OF A SUDDEN... I FEEL
MUCH BETTER...

MEANWHILE, ASTRO FEVERISHLY REPEATS HIS MESSAGE OVER AND OVER AGAIN...

HEAR ME... IF NOT... WE'RE SUNK... THEY'VE GOT TO...
POSITION VECTOR TWELVE-ON-NINE-FOUR...
IS CAPTIVE POSITION VECTOR TWELVE-ON-NINE-FOUR...
EIGHT-ON-EIGHT.

BUT IN THE LISTENING POST...

POSITION VECTOR TWELVE-ON-NINE-FOUR...

SUDDENLY...

THERE'S THE OTHER ONE... I HAD A HUNCH HE MIGHT BE HIDING IN HERE. COME ON OUT WITH YOUR HANDS UP, YOU, OR I'LL BLAST YOU!

DON'T SHOOT, I KNOW WHEN I'M LOCKED.

AS THE GUARDS LEAD ASTRO TO THE CELL BLOCK, A BLAST FROM A PARALYZER GUN STOPS THEM IN THEIR TRACKS...

HUH?

TOM! HOW DID YOU?

NO TIME FOR THAT NOW. GRAB THEIR GUNS AND LET'S GO! WE HAVE TO WORK FAST.

THE SPACE CADETS APPROACH THE SLAVE MINE PIT, AND TOM UNFOLDS HIS PLAN...

APPARENTLY HORNER AND HIS BOYS ARE HAVING A BIG SHINDY IN THE BASH CAVE. I SCOUTED THEM OUT NOW... WELL, KNOCK OUT THE GUARDS WITH THE PARALYZER GUNS, FREE THE PRISONERS... AND BUST UP HORNER'S PARTY WHILE THEY'RE AT IT.

IF YOU SAY IT'S OKAY, TOM, THAT'S GOOD ENOUGH FOR ME.

MAKE EVERY SHOT COUNT, GIVE 'EM A HALF CHARGE, THAT'LL STUN THEM FOR A FEW HOURS. AT 1000, OPEN FIRE...

I'M SET.

FIRE!

THE SPACE CADETS FIRE KILLS ITS MARK AND EACH OF THE GUARDS IS FROZEN IN PLACE...

ALL RIGHT YOU PRISONERS... COME ON! WE'RE SPACE CADETS, FOLLOW US!

AT LAST! FREEDOM!

WE CAN SURPRISE NOBBEK AND HIS BUNCH, IF YOU FOLLOW MY ORDERS. ALL WEAPONS AT HALF CHARGE. WE DON'T WANT ANY KILLING. DON'T FIRE UNTIL I GIVE THE SIGNAL. ANY QUESTIONS?

NO!

MEANWHILE, THE UNSUSPECTING NOBBEK AND HIS OUTLANS ARE HAVING A BALA TIME.

ONE DAY SOON, BOYS, WE'LL RULE THE SOCIETY! YOU WON'T REGRET STICKING WITH ME!

SUDDENLY...

FIRE!

THEY'LL BE USING THIS FOR A WHILE. ASTRO... SEE IF YOU CAN GET THROUGH TO T.J.

CHECK!

AND AT THE LISTENING POST...

POSITION VECTOR... THAT WAS THREE-ONE-ONE... A GOOD POLA... I WILL SHOW... I... REPEAT... THE MESSAGE IS COMING IN!

HAVING RECEIVED THE MESSAGE THISTLE CONTACTS CAPTAIN STRONG AND IN RESPONSE TO THISTLE'S ALERT, TRICORPSE STRONG TAKES OFF FOR MARS.

IN A SHORT TIME, NOBBEK AND HIS MEN ARE BOUNDED UP... THE PRISONERS ARE RETURNED TO THEIR HOMES AND THE MISSION IS ACCOMPLISHED... BACK IT SPACE... GO-DOWN...

I AM MENTIONING BACK OF YOU IS MY REPORT TO CHAIRMANER AMORRIGHS, THISTLE, BECAUSE YOU DID SO WELL ON ASTEROID DELTA, HE ARE SETTING UP A PERMANENT LISTENING STATION THERE AND YOU WILL BE IN CHARGE OF IT AS A REWARD FOR YOUR EXCELLENT WORK ON YOUR ASSIGNMENT.

THANK YOU, SIR...

ASTEROID DELTA... WHY DOES EVERYTHING HAPPEN TO ME?

SPACE ACADEMY TEST

HOW GOOD A SPACE CADET ARE YOU?

IS TOM CORBETT RIGHT OR WRONG...

OUR EARTH SPINS AROUND AND AROUND AND IN ADDITION, IT IS FLYING THROUGH SPACE AT A SPEED OF 1,600,000 MILES EACH DAY.

RIGHT

WRONG

THE STAR, SWISS, IS SO HEAVY THAT A PIECE OF IT THIS SIZE — JUST ONE CUBIC INCH — WEIGHS A WHOLE TON!

THAT'S A LOT OF SPACECARS! YOU MEAN I COULDN'T PICK UP A LITTLE PIECE, LIKE THIS?

COMPLETE WITH
BATTERY AND BULB!

Nobody ever before has been amazed
over anything as simple as this
amazing new Television Bank! Your
whole gang will be begging you for a
look at this new magical wonder!

LOOK UP THE MONIES YOU SAVE
COINS! Just click a penny, nickel, dime
or quarter into top slot! Instantly your
grand new Television Bank lights up
—in a big, BIG way! In a split second,
the money turns into dazzling life!

AND WOW! WHAT A PICTURE!
Whether you go for "movie" shows
(fight and such) or want a funny
dance team or happy dancing, you've
got them—and NOW! Look in the
amazing Television Bank! With a
show, dancing shows has ever seen

gives you the brightest, clearest, pic-
tures yet!

TURN ON YOUR SHOWS HERE! BIG-
ONE PICTURE! When you've looked
your showing for an eye, picture, you
turn coins into big, big, big pictures
show. — Lights glow over continuously
in new picture display! In light new
picture, bank another coin. No less
than 100,000 pictures in all on
a light, dancing dance team, some
piano, violin, television shows, and
other shows and other shows with
the best show!

PUTS YOU ON THE MONEY!... AND
MORE! Your money goes up FLUENT
FAST—just with the amazing new
Television Bank! More of your
friends, relatives or other money
can never deposit enough to see the

complete show! Add with 100,000
dollar picture to see — you bank
REAL MONEY just for looking them
look!

IT'S A MONEY — IN EVERY SENSE!
You'll be the only one in your family
with grand new Television Bank! A
complete model, it is an exact miniature
of the most expensive sets. Complete
even to the beautifully painted on
speaker grille and dial. All most
tastefully bank bank, 100" x 4", but
more amazing bank. Features
extra lights powered by batteries,
replaceable battery. GUARANTEED
100% BRIGHT! NO! bank shows
complete with bulb, battery and wiring
for your money and money and
your money of money.

...BE THE FIRST IN YOUR CROWD TO HAVE THIS WONDERFUL
NEW TELEVISION BANK! SEND NO MONEY! ORDER YOURS TODAY!

NEWEST DECORATOR'S NOTE TO ALL GOLF HOUSE OWNERS!

Nothing is so truly beautiful for the modern golf
house! This beautiful new Television Bank is the
best work in elegance—matches all styles of fur-
niture—makes a stunning addition to your golf
living room! You'll love it, and so will all your
guests!

TOM CORBETT,

SPACE CADET

The INVADERS!

CAPTAIN STRONG!
WE'VE BEEN HIT
BY SOMETHING!

ATTACK BY AN ALIEN LIFE FORM
WAS NOT A NEW DANGER FOR EARTH—
BUT THIS TIME THERE WAS A
GOOD CHANCE THAT THE ATTACK
MIGHT SUCCEED. THIS TIME THE
SPACE CADETS THEMSELVES WERE...

DEEP IN SPACE A SILVER ARBORES-
CENT CRUISER, TOWARD EARTH AFTER A
ROUTINE PATROL, THE POLARIS
BUCKET TIES HIM. A BOMB OF
POWER, ALL IS WELL, THEN, SUDDENLY
—TROUBLE. BIG TROUBLE.

HIT THOSE
CONTROLS, AND YOU'LL HAVE ON THESE
BOMB INTO MAXIMUM ACCELERATION.

NO USE, BUT THEY'RE CLOSING
FAST. THEY'LL OVER FUSE
AGAIN IN A SECOND.

NOT IF
HE RE-
TURN THEM
LITTLE CALLING

CARD WITH INTEREST,
POWER DECK AND NAVIGA-
TION—STAND BY BATTLE
PACKAGING.

SAVED—MARK? HEARING—MARK?
LIKE THE PRODIGY MATCHING
THEY ARE THE POLARIS CRUI-
SEER—HOLD INFORMATION AND—
ON TARGET!

DIRECT HIT! BUT—ALL HE DID WAS DAMAGE ONE OF THEIR FINS. THEY MUST BE HEAVILY ARMORED.

TOO HEAVILY FOR US. AN EARTH BATTLE RADAR MIGHT BE ABLE TO STOP THAT SHIP, BUT WE CAN'T.

POWER DECK TO CONTROL. TWO OF OUR TANKS ARE OUT PROBABLY BURNED. WE'RE LOSING THEMSELVES.

WHICH MEANS WE'LL BE A SITTING DUCK BEFORE LONG, TOM! WHEN I SAY THE WORD GIVE HER HARD RIGHT. ALL SHELL TAKE... NOW!

THAT DID IT AT THAT SPEED IT WILL TAKE THEM HALF A MINUTE TO DEBIT AND COME BACK FOR ANOTHER PASS. BUT WE'RE NOT WAITING. LET'S GO, TOM!

IN SECONDS THE POLARIS IS SPACE-MILES AWAY, AND THE ALIEN IS LEFT FAR BEHIND. BUT THE EARTH SHIP IS GOING THRUST FAST.

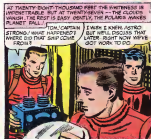

OH—LOOK HERE OFF THE REGULAR SPACE LANES AND I CAN'T BE SURE— BUT DIDN'T THAT'S A PLANET DOWN THERE.

IF THERE IS, IT WILL BE TINY— AND UNCHARTED BUT REGARDS CAN'T BE CHOOSING—OWAY, TOM, TAKE HER DOWN.

THE ROCKET KNEES DOWNWARD, REVERSES FOR LAND-ING—AND FOR LONG MOMENTS ALL IS SILENT, BIRD-LIKE—A ROCKET CAN BE—FATAL.

ALTITUDE THIRTY FIVE—THIRTY-NINE—THIRTY-EIGHT— HERE THROUGH THE CLOUD BANK.

AT TWENTY-EIGHT THOUSAND FEET THE SWIFTESS IS IMPENETRABLE. BUT AT TWENTY-SEVEN— THE CLOUDS VAUGH. THE REST IS EASY. GREATLY, THE POLARIS MAKES PLANET FALL.

STRONG! HAVE HAPPEDEST WHERE DID THAT SHIP COME FROM?

I WISH I KNEW, ASTRO. BUT HELL, DOORS THAT LATER. RIGHT NOW WE'VE GOT WORK TO DO.

EARTH-TYPE PLANETOID IN EARLY STAGE OF DEVELOPMENT. GRAVITY NORMAL. AIR. ATMOSPHERE BREATHABLE. WON'T NEED YOUR SPACE UNIFORMS AND HELMETS HERE.

NORMAL, THE MAN SAYS. JUMPING JETS / SIR, LOOK OUT THERE. ITS LIKE THE TROPICS AND THIS IS FEBRUARY.

A SIMPLE NATURAL PHENOMENON ASTRO, THE ADVISOR HERE AFFORDS SOL'S HEAT AND THE THICK CLOUD BANK PREVENTS IT FROM ESCAPING--

LET'S SKIP THE SCRAP-TICS FOR NOW, TWISTLE. WE'VE GOT TO GET THOSE DAMAGED TUBES REPLACED AND TURN IN A REPORT ON THOSE KILLERS.

KILLERS, BUT IT SEEMED TO ME FROM THE ANGLE OF THEIR FIRE THAT THEY MEANT ONLY TO DISABLE US.

SURE/AND I'M THE CHIEF OF THE STAFF/COME ON LET'S GET TO WORK BE-FORE OUR LITTLE PLANETES CATCH UP TO US AGAIN.

THEY ALREADY HAVE, I LOOK!

THEY SAT DOWN BEHIND THAT ROCK, DID--DO YOU SUPPOSE THEY SPOTTED US?

I DON'T IT, TOM. THEY PROBABLY LINGERED FOR REPAIR, JUST AS HE DID, BUT NOW--ANYWAY WE'LL GET A FEW ANSWERS.

QUICKLY THE LITTLE GROUP SPLITS UP. ASTRO AND T.J. REMAIN WITH THE SHIP--AND TOM AND CAPTAIN STRONG FLING INTO THE LUSH UNDERGROWTH.

THERE THEY ARE! THAT ONE JUST BELOW US IS GETTING UP SOME SORT OF TRAP, I HONDER WHY.

THE WAITING IS NOT LONG, ONE OF THE PLANETES'S SUBTLE-LIKE CREATURES APPROACHES THE TRAP FOR AFTERLAND THE TRAP SNAPS SHUT.

AND THE HES TAKING IT INTO THE SHIP.

OTHERS HAVE FINISHED THEIR REPAIRS, IF THEY ALL GO INSIDE, WHOSE WILL GET A CHANCE TO GET CLOSER.

AND--THE OTHERS DO NO NEED, THERE ARE NO HOSTILE EYES TO SEE WHEN TWO FIGURES FACE TO THE SIDE OF THE ALIEN SHIP!

DON'T GET IT, WHAT ARE THEY DOING? THAT'S SOME SORT OF ELECTRONIC SETUP, BUT WHAT IS IT FOR?

SIR--I WE ARE READY.

CAPTAIN? I HEARD
THAT ONE SPEAK.
AND—I UNDERSTOOD
HIM!

NO, HIS LIFE NEVER MOVED.
THEY MUST BE TELESPRING.
AMONG THEMSELVES, ANY-
WAY. THEY CAN'T PICK UP
OUR THOUGHTS OR THEY'D BE
OUT HERE.

YEAH! THERE'S A SECOND RABBIT FORMING— AROUND
THAT FILE OF GOUGA DUPLICATES— OF THE LIVING ONE.

GOOD! THE DAMAGE
DONE US BY THE
EARTH-SHIP DID
NOT HARM THE
RO-ROBOTIC. A
PITY IT IS NOT AN
EARTH MAN THERE
ON THE TABLE, EH
MARK?

AH, BUT WE
SHALL KNOW
SOON ENOUGH
WHAT EARTH
MEN LOOK
LIKE.

WE HAVE ONLY TO FIND OTHER
SPECIMENS, DUPLICATE THEM
AND LET THEM
PAVE THE WAY
FOR OUR
CONQUEST.

TRUE, WE
SHALL REST
HERE, THIS—
ON TO EARTH.

THE LIMITED TICK-OFF—AND OUTSIDE.
TWO HUMAN BEINGS LISTEN, AND BE-
GIN TO UNDERSTAND. WHEN THEY RE-
JOIN THEIR COMPANIONS THEY ARE
HITTE, SHAKEN.

ROBOTS? YOU
MEAN THEY CAN DUPLICATE ANYTHING
ANYONE? THEN

T.J. WAS RIGHT.
THEY DON'T
WANT TO
KILL US. THEY
WANTED
SPECIMENS.

EXACTLY US! THEY'RE
PLANNING AN INVA-
SION OF EARTH!
THEIR ROBOTS WILL
PASS AS MEN, MEN
WHO CAN DESTROY,
SABOTAGE!

THAT SHIP IS JUST AN
ADVANCE SCOUT! AFTER
THE ROBOTS MAKE EARTH
HELPLESS, THEY'LL ATTACK!
THEIR WHOLE FLEET WILL
COME... AND WE DON'T
DARE BLAST OFF TO
HARM EARTH.

BUT EARTH MUST BE
WARNED! IF I DON'T,
THEY'LL JUST FIND
OTHER HUMANS TO
DUPLICATE AND THE
JOB IS DONE.

YOU SPEAK RAPIDLY; EXPLAINING, HIS IDEA IS—
RASH, DARING—BUT THERE IS NO CHOICE.

IT'S WORTH A
TRY, ANYWAY.
ASTRO? T.J.?
HOW ABOUT IT?

NEED YOU ASK, SIR? WE'LL SHOW
THE BLATHERS— IF WE'RE LUCKY,
IF NOT—WELL, NOT ALL OF US
CAN LIVE OUT OUR ALLOTTED
THREE SCORES AND TEN.
CAN WE, SIR?

SO—IT IS DECIDED. THE PLAN IS A LONG SHOT, A DEADLY GAMBLE. BUT WHEN THE CADETS LEAVE THE POLARIS, LATER, IT IS AS IF THEY ARE HEADED FOR A REDUCED—NOT DANGER.

ALL RIGHT, LET'S GO. MAKE PLENTY OF NOISE AND WHEN THE ALIENS COME—WATCH YOURSELVES.

IT TAKES ONLY MOMENTS, THE ALIENS ARE NOT FAR OFF...

THE TELEPATHIC "NOTE" IS COLD, IMPERSONAL. IT CRACKLES ORDERS AND THE CADETS TO THE ALIEN SHIP; THERE ARE NO PRELUDES, NO DISCUSSIONS.

BUT IT—IT'S LIKE A NIGHTMARE / THOSE THINGS ARE US!

ONLY OUTWARDLY. TAKE IT EASY, T.J. DON'T PANIC! IT WOULDN'T DO ANY GOOD, AND IT MIGHT DO A LOT OF HARM.

THE DUPLICATION TAKES ONLY MOMENTS. THEN THE ROBOTS ARE TAKEN AWAY—AND THE CADETS ARE REMOVED TO A DRY METAL CELL.

WITH THOSE ROBOTS AT HER CONTROLS AND AFTER OUR TELLER, SHE'S TAKING OFF! THE ALIENS THAT WERE FROM SPACE ACADEMY, THAT'S WHERE THEY'LL RECALL WE CAN DO NOW IS MORE!

HEARTSICK, THE CADETS WATCH THEIR BELIEVED POLARIS CLIMB AND VANISH THEN THE LONG HORROR REARS BY A DAY OF DEATH BY TAO...

ON THE THIRD DAY THE ALIENS BLAST OFF, AND THERE ARE NO SHOCK COUCHES IN THE CELL. THE ACCELERATION SQUEEZES THE CAPIETS AGAINST THE FLOOR, BLASTING THEM OUT...

CAPTAIN! WE'VE JUST HAD BLASTED OUT.

AND WE'VE BEEN OUT QUITE A WHILE. THAT'S EARTH OUT THERE.

BOYS! LOOK! ROCKET EXHAUSTS!

THEN—OUR TRUCK WORKED! IT MUST HAVE! THERE MUST BE SOLAR GUARD SHIPS!

WE'RE HIT! GRAB SOMETHING AND HANG ON. FROM HERE ON IN THOSE ALIENS ARE GOING TO GIVE A LESSON IN SPACE COMBAT!

THE ALIEN SHIP ROCKS UNDER THE PRESSURE OF THE BLASTS AND IS AIMED AT HER CONTROLS AND TUBES, BUT THE DAMAGE IS ENORMOUS. SEVERELY BEFORE IT HAS BEEN, THE ATTACK IS ALMOST OVER.

SOLAR GUARD TO INVADE! THIS IS A WARNING OF SPACE ACADEMY. YOU HAVE THIRTY SECONDS. SURRENDER, OR FACE THE CONSEQUENCES.

NO! THIS—THIS CANNOT BE HAPPENING! IT IS IMPOSSIBLE, NAME—HOW COULD THEY HAVE KNOWN ABOUT US? THEY WERE WAITING!

IT LOOKS LIKE OUR POSITION IS USELESS! THESE BASTARDS—WHEN FIGHT LINE COMMANDS, BRING THE PASSENGERS QUICKLY!

HALF A DOZEN ALIENS RACE TO THE CELL WHERE THE CAPIETS ARE HELD. THEN—A FAMILIAR ORION LEAPS ACROSS SPACE.

STRENGTH! EVERYTHING UNDER CONTROL!

FROM A TO Z, WE TRYING SURRENDER TO ME AND THE BOYS. I ORDER—YOU GOT OUR MESSAGE, IF YOU ESCORT US DOWN, WE'LL BE HIGH ON THE LIST.

PLANET FALL IS UNHYMABLE, THE FIRST SITE DOWN ON EARTH. THEN, AFTER THE GREETINGS, AFTER THE CAPIETS HAVE DONED PROPER UNIFORM, THE ALIENS ARE BROUGHT IN.

AH, NOW—WE'LL GET DOWN TO BUSINESS.

BUSINESS? I DO NOT UNDERSTAND THE WORD, BUT THERE IS NO NEED FOR TALK. WE HAVE FAILED, BUT WE SHALL DIE BRAVELY. WE ARE READY.

OFTEN IT IS EASY TO ONE, MARK, BUT A MAN WHO WISHES TO SERVE HIS RACE CAN SERVE FAR BETTER ALIVE THAN DEAD. WE HAVE NO INTENTION OF EXECUTING YOU!

YOU WILL LET US LIVE? BUT WE ATTACKED YOU.

TRUE, BUT EARTH WANTS ONLY PEACE AND FRIENDSHIP WITH ALL PLANETS. IF I OFFERED FRIENDSHIP—WHICH WOULD YOU CHOOSE, WOULD YOU BE OUR LIVING FRIENDS—OR OUR DEAD FRIENDS?

QUETLY COMMANDER ARCBRIGHT EXTENDED THE HAND OF PEACE, AND THE ALIENS HAVE LEARNED A BITTER LESSON, AFTER THAT MEETING THERE ARE OTHERS, AND AT LAST...

WELL, THERE THEY GO, BOYS. I'M GLAD THEY CHOSE FRIENDSHIP. MARK IS A HIGH OFFICIAL ON HIS PLANET. I DON'T THINK WE HAVE TO FEAR ANOTHER ATTACK.

FRANKLY, SIR, I HOPE NOT. THOSE ROBOTS ARE BAD IN FACT, AND SPEAKING OF ROBOTS—WHEN DID YOU GUESS THE TRUTH, SIR?

ABOUT THE ROBOTS AS SOON AS THEY LANDED, YOU SEE THE SPACEPORT GUARDS ATTEMPTED TO ARREST THEM, THANKS TO YOUR SCHEME. ONE OF THE ROBOTS WAS DAMAGED UNDER ITS SYNTHETIC SKIN THERE WAS A METAL.

AS SOON AS I SAID THAT, I HAD OUR TECHS CHECK THE ROBOTS' MIND-TAPES. THEY ORDERED OUR PART WERE SIMPLE BUT—HOW DO YOU EVER GET THE IDEA FOR YOUR PLAN, TODAY?

FROM MARK, SIR, WHEN I HEARD HIM SAY THAT HE'D NEVER SEEN AN EARTH MAN, IT STOOD TO REASON THAT IF THEY COPIED US THEY COPY US EXACTLY, SO WE ALL WENT FOR A SWIM.

AND THAT WAS IT, SIR. I WONDER WHAT MARK WOULD THINK IF HE KNEW WHAT REALLY HAPPENED WHEN THOSE ROBOTS LANDED THE POLARIS ON EARTH'S

SO DO I, SIR. IT MUST HAVE SEEN QUOTE A SIGHT, NO WONDER THE GUARDS TRIED TO ARREST THE ROBOTS.

I CAN JUST PICTURE IT, A CAPTAIN OF THE SOLAR GUARD AND THREE SPACE CADETS LAND A SHIP AND STEPPING OUT ONTO THE ROCKY FIELD IN THE MIDDLE OF FEBRUARY IN SHINING SHORTS AND NOTHING ELSE!

SPACE NEWS

No One Will Starve

Every now and then some pseudo-scientist, seeking to get his name in the headlines, warns all and sundry that at the rate the earth's population is increasing,

there won't be enough fertile land to feed all the folks.

Highly important, of course, if true, but real scientists know and tell us it just isn't so. That feeding the earth people is the least of the problems that confronts modern man.

The earliest ancestor of man crawled in the shape of a blob of protoplasm out of the water onto the land millions of years ago. And the latest news in food science is that the food of the dim distant future will come from the same source.

Rockweed, all types of seaweed, in fact the whole Algae family will in the future be our food supply.

Science tells us that a single-celled algae can be grown to yield almost any desired percentage of protein and fat. The most promising at the moment is a plant named *Chlorella*. Each acre of *Chlorella* can be made to yield about 20 tons of protein and 3 tons of fat. And all this without soil or rain or insecticide sprays. All that is necessary is sun and water acting on the chlorophyll in the plant and mechanically controlled carbon dioxide. The crop can be harvested every month in the year. *Chlorella* soups, palatable and nutritious, noodles and ice cream have already been served in hospitals.

Radioactive Dust

If mankind behaves itself and uses even a modicum of sense in this atomic age, it may escape the dire dangers from radioactive bomb fallout, according to Dr. Alfred H. Sturtevant, geneticist of the California Institute of Technology.

Most of us know what happened to the Japanese fishermen after recent atomic tests in the Pacific. But Dr. Sturtevant declares that if no new tests are added, the radioactive dust will be sufficiently thinned out to prevent man from breeding a progeny of freaks in the near future.

Attention, Tourist

The man in the moon is undressing slowly but surely. According to Dr. H. Percy Wilkins, member of the British Interplanetary Society, there is no present danger that any portion of his wardrobe will come flying through space and collide with Earth.

Dr. Wilkins has been peering at the moon for over 44 years. According to him, the man in the moon started his outfit as far back as 1891. At any rate that was the first time that telescopes discovered what was going on.

But lately the outfit has been getting wilder. Huge chunks of moon surface from 50 feet to one mile thick and at least

200 yards wide are now appearing. Dr. Wilkins thinks all this is due to the fact that Luna is exceedingly moody. And who wouldn't be when the moon runs through a 300 degree variation in temperature, first freezing and then roasting from noon until midnight? This is causing the moon's surface to split.

But be that as it may, Dr. Wilkins cautions that rocket spaceships will have to be equipped to change direction as they approach the moon so that they can land on a smooth strip of epidermis. A useful thing to know on a 249,000 mile trip.

CAPTAIN QUICK *and the* SPACE SCOUTS!

ACROSS THE TREACHEROUS WASTE OF MARS, CAPTAIN QUICK LEADS HIS SPACE SCOUTS, BOB AND PAUL, ON AN EXPLORING EXPEDITION, SEEKING CLUES TO THE HISTORY OF THE GREAT CANALS OF MARS. THEY FIND INSTEAD THE DEADLY TRAP OF A GIANT AND VORACIOUS "CANAL FROG!"

WE'LL MAKE CAMP HERE, SPACE SCOUTS! PAUL, GATHER BRUSH FOR A FIRE! BOB, GET SOME WATER FROM THE CANAL! WE'LL COOK US AN OLD-FASHIONED MEAL TONIGHT!

CAPTAIN QUICK, PAUL! LOOK WHAT I FOUND! A FLOWER, MADE OF CRYSTALS!

WE'RE COMING, BOB!

I'VE HEARD LEGENDS OF THE JEWEL FLOWERS BUT I NEVER BELIEVED THEY REALLY EXISTED!

I'VE READ ABOUT THAT, CAPTAIN QUICK! AREN'T THEY SUPPOSED TO BRING DEATH TO ANYONE WHO PINKS THEM?

THERE'S A LOT OF SUPERSTITION WRITTEN ABOUT THESE JEWEL FLOWERS... BUT THERE MAY BE SOME TRUTH ABOUT THE DANGER THEY BRING. WE DON'T KNOW MUCH ABOUT THEM, HOW THEY GROW AND...

LOOK! THERE'S A TRAP DOOR IN THE SIDE OF THE CLIFF! SOMETHING IS COMING DOWN!

A GIANT FROG!

WHY - IT LOOKS JUST LIKE THE ONE WE HAD ON EARTH!

BUT NOT THIS ONE! AND FROGS HAVE VORACIOUS APPETITES! GET YOUR GUNS OUT!

CAPTAIN QUICK—
SHOULDN'T HE
RUM FOR
THE SHIP?

NOT A CHANCE.
THE RECS
WOULD OVER-
TAKE US IN ONE
LEAP AND REVOLVE
US IN A FLASH.
HE'S GETTING SET
TO JUMP US.

BLAST AWAY, SPACE SCOUTS.
MAYBE WE CAN SCARE
HIM BACK TO HIS
CAVE.

IT WORKED,
CAPTAIN!
HE'S COMING
BACK!

YES BUT FOR
HOW LONG? I
SUGGEST WE
MAKE A REE-
LINE BACK TO
THE SHIP!

BUT FIRST I'LL TAKE
ONE OF THESE
CRYSTAL FLOWERS
WITH US!

ALL CLEAR
NOW! LOOK,
THE DROP
IS COMING
OUT AGAIN!

I GUESS HE'S
TRYING TO
FIGURE OUT
HOW TO GET US!

WHAT A BEAUTY! NO WONDER
THERE ARE LEGENDS ABOUT
THESE JEWEL FLOWERS! SAY
HEUGHT TO GET A SPACE
ALPHABET BECAUSE FOR THIS
DISCOVERY! I WONDER WHY
NO ONE HAS EVER
BROUGHT IN ONE OF
THESE FLOWERS
BEFORE?

PROBABLY BE-
CAUSE ONE OF
THOSE GIANT
FROGS LIVES
BEHIND THE KIND
OF FLOWER
AND HAS MADE
A MEAL OUT OF
ANYONE WHO
CAME TO PICK IT!

LOOK! THE FLOWER
CHANGED INTO
SAND... PLAIN,
ORDINARY SAND!

AND THAT'S THE REASON
WHY SUCH A FLOWER HAS
NEVER BEEN RESCUED IN!
ONCE IT IS PICKED... IT
CHANGES AS IT DIES...
INTO SAND!

SPACE NEWS

Age Of Life On Earth

Bombardment

Although the sun is 93 million miles away from earth, it bombards us not only with light and heat, but with invisible dust from its own combustion. These ashes, so to speak, can't be seen or felt, but they have terrific effects on the earth's atmosphere.

Every now and then the sun must come upon some portion of its own lanards that is

The Carnegie Corporation of New York has recently granted \$20,000 to the department of biology at Queen's University, Kingston, Ontario,

more easily combustible than the rest. Then it is that we get a flare-up, such as is manifested in the thick lighting of the aurora borealis, so beautiful to watch.

Science has come to look for violent magnetic storms a few days after a large sunspot crosses the center of the sun. Dust storms sometimes put in their appearance.

To, to find out how long ago life really started on earth.

Recently some additional light has been thrown on the darkness that surrounds this matter. Prof. J.R. Vallerysee of the university found evidence of organic matter in the earliest fossil bearing rocks known to geology.

Professor Vallerysee states that through chemical tests for amino acids—the building blocks of proteins, it is possible to prove that amoebas of rocks, at least more than one million years old, contain surprisingly high amounts of this organic matter.

Of course, science computes the age of the earth at more than 4 times one billion years, but Prof. Vallerysee declares that if a chemical test of pre-Cambrian limestones and shales, which have shown no fossils at all, will yield evidence of the presence of amino acid organic material, it will be a great revelation for the world of geology and biology.

Absolutely Nothing

About 2000 years ago when Aristotle said "Nature abhors a vacuum," he wasn't talking about human nature. For ever since, men of science have been trying to make one. At the end of last year, a man of science succeeded in making a perfect vacuum and won a \$1000 prize from the American Association for the Advancement of Science for his triumph over nature.

The man is Dr. Daniel Alpert, a Westinghouse physicist. By spraying heated mercury past the opening of a tube to be emptied, the mercury molecules drag the air molecules in the tube to a point where a mechanical pump kicks them out of the tube into the air. So far so

good. But helium atoms pass through solid glass at the terrific rate of a billion molecules in every cubic inch per hour. Dr. Alpert meets this invading helium by painting a metal coat on the glass tube. This could mean that radio and tv tubes will last longer.

Cure For Skin Disease

Tufts Medical School scientists have proved that Cortisone, and adrenal hormones or Acth, the pituitary hormone that stimulates the adrenals, have cured many skin diseases. But, in some cases, there have been unfortunate side effects in the use of these hormones.

Now, however, the Tufts Medical School scientists have discovered that by transplanting the adrenal glands from infants who perished after premature birth they have cured several types of skin ailments without any of the serious side effects sometimes found when using Cortisone or Acth.

TOM CORBETT,

SPACE CADET

COLLISION ORBIT! AUTOMATIC INSTRUMENTS SHRIEK THE ALARM — AND SUDDENLY TOM CORBETT AND THE SPACE CADETS FIND THEMSELVES HEADING FOR A WEEP ADVENTURE ON...

WOLF PLANET!

THE METEORS APPEAR SUDDENLY AS IF SHOT FROM SOME COSMIC CANNON EACH JAGGED ORBIT OF SWIRL, IS SUDDEN HURTLING DEATH, AND THE SWARM IS DENSE THIS TIME, FASTEST SPACECRAFT IS NOT ENOUGH.

WE'VE CAUGHT ONE! NEAR OFF THE COMBATMENT! IT'S LOSS OUR ORIGIN METEOR DONE!

AYE AYE, SIR!

WHEN! THAT HAS CLOSE, DO YOU THINK WE'RE BADLY DAMAGED CAPTAIN?

WE'LL SOON SEE, ASTROWE SEEM TO BE THROUGH THE SWARM ANY WAY BREAK OUT THE SPACE GEAR, WE'LL HAVE A LOOK, AND KEEP YOUR FINGERS CROSSED.

BUT—THE CRUSHED FRAMES DO NOT HELP...

IS IT BAD, SIR?

STORES HOLD AND WENT CLEAN THROUGH THE SHEP. THE STORES ARE GONE.

BAD ENOUGH, TOM. THE PERFECT STRUCK ONE

WHEN ONE HALL WAS PERKED THE SUDDED VACUUM MUST HAVE SUCKED THEM OUT INTO SPACE AND THESE DREAMS ARE TOO BIG TO BE REPAIRED OUT HERE. STAND BY WE'RE COMING IN.

CLIMBING THE SPACE-SUITED FIGURES CLIMB BACK THROUGH A HATCH. THEN THERE IS A COUNCIL OF WAR.

THAT'S IT THEN, MADAM. WE CAN REACH IT IN TWENTY-FOUR HOURS.

MADAM. ACCORDING TO THE SP-ORANGE MANUAL IT HAS WATER. VEGETATION. IT COULD BE OUR PURPOSE.

IT HAD BETTER. MADAM'S NEVER BEEN EXPLORED. BUT WHERE THERE'S VEGETATION THERE SHOULD BE GAME FOOD IF THERE ISN'T—YOU'RE IN A BAD SPOT.

SO YOUR BETTER GET BUSY, T.J. CHART US A COURSE TO MADAM. AND FAST, OR GETTING HUNGRY ALREADY.

BUT THE OXYGEN DOES NOT TAKE TOO LONG AN HOUR. THEN THE POLAR JETS BOAR BACK INTO LIFE AND A VOY AFTER THAT.

SO THIS IS MADAM. IT'S LOOKING PRETTY PEACEFUL TO ME, AIR.

ANYWAY IT IS, AND I'VE NOT. YOU STAY HERE. AFTER GET SOME WATER ABOARD. WE'LL SCOUT AROUND.

MADAM IS A GREEN PARADISE. BUT IT'S A LITTLE DRY. OF LIFE OR AT LEAST, IT SEEMS TO BE — FOR A WHILE...

SO WE GO ON AFTER THIS REBATE. BUT IT'S BEGINNING TO LOOK AS IF THE ONLY LIFE FORM ON THE PLANET IS VEGETABLE.

VEGETABLE. ANY ONE OF THOSE THING DOWN THERE ARE VEGETABLES. OR SHIM UP SALADS AS OF RIGHT NOW?

GREAT SCOTE! IT'S A VILLAGE. BUT — SIR, WHAT ARE THEY? THOSE THINGS. THEY LOOK LIKE HOMES!

THEY ARE HOMES—OR THEY'RE CIVILIZED. HOMES OR SOMETHING VERY LIKE A HOLY LOOK AT THE FURRED HOES, THE PANTS...

THEY—THEY'RE HEADING THIS WAY! LOOK AT THE WAY THEY'RE SHIPPING THE AIR, THEY'VE CAUGHT OUR SCENT.

STEADY! THEY MAY BE FRIENDLY—

FRIENDLY! THEY'LL TEAR US TO BITS!

THRISTLE! NO!

THAT DID IT! BACK TO THE SHIP!

THE CHASE IS A NIGHTMARE. HOWLING, THE WOLF MEN COME ON, BUT THE CADETS HAVE A LONG HEAD START.

CAPTAIN STICKS! WHAT HAPPENED?

LEAVING LUNA! WHAT ARE THOSE THINGS?

NO SHOOTING—GASP! THAT'S WHAT STARTED THIS—GET—GASP! THE HATCH CLOSED.

THE HATCH SLAMS SHUT. THEN, FOR HOURS, THE THINGS OUTSIDE GRAYL OVER IT, HOWLING, SEEKING AN ENTRANCE....

THEY'RE STILL TRYING TO GET AT US, AND IT'S ALL MY FAULT, I'M SORRY. I SHOULDN'T HAVE FIRED. I LOST MY HEAD.

FORGET IT, SHANTLE! IT'S DONE! THEY CAN'T GET IN OUR PROBLEM NOW IS TO FIND A WAY TO REPAIR THE POLARIS AND BLAST OUT OF HERE!

BUT THERE IS NOWAY, EVENTUALLY THE WOLF MEN RETREAT, BUT THEY DO NOT GO FAR....

THEY'RE STILL OUT THERE, CAPTAIN, THIS IS THE THIRD DAY!

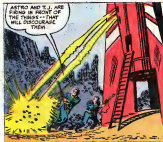

I KNOW. I HOPED THEY'D LEAVE, BUT WE CAN'T WAIT ANY LONGER. A FEW MORE DAYS WITHOUT FOOD AND WE WON'T HAVE THE STRENGTH TO REPAIR THE POLARIS. WE'LL JUST HAVE TO RUN DOWN OUT.

IN THE END, THERE IS NO CHOICE. MEN CANNOT LIVE WITH-
OUT FOOD. THAT NAME TWO SHADY FIGURES CAME
KNOWLEDGELESSLY FROM THE POLARIS SLIP INTO DARKNESS...

NO USE! WITH THAT KEEN SCENT OF THEIR WEAPONRY
GOT A CHANCE! THEY'VE SPOTTED US!
LET'S GO!

ASTRO AND T.J. ARE
FIGHTING IN FRONT OF
THE THINGS -- THAT
WILL DISCOURAGE
THEM.

TEOM IS RIGHT. HE AND STRONG MADE THE NEW
SAFELY. BUT NOW THE OLD POLARIS IS A DEATH TRAP.

THEY'VE GONE. WHICH SAVES
US JUST HERE.
BACK TO THEIR HAITING. WE'RE LEAVING. A
FINE MESS. I GOT US
INTO.

NO PRACTICAL JOKES.
T.J. NO SMART CRACKS? ASTRO,
WHAT DO YOU KNOW? I'M
ALMOST DYING! YOU GOT
STARKS, NOW THAT
I'VE SEEN THIS!

BLAMING
YOURSELF.
T.J. OKAY, SO
YOU MADE A
MISTAKE. WE'LL
STILL GET OUT OF
THIS SOMBROW!

SOMBROW -- BUT HOW? ANOTHER
DAY GOES BY. ANOTHER NIGHT
AND AROUND THE POLARIS RANGER
IS A DAILY QUEST.

A FEW MORE DAYS WILL MEAN THE END,
BUT THERE IS ONE REASONS OF THE
POLARIS CREW WHO DOES NOT
TRY TO LET THAT HAPPEN. NO MATTER
WHAT THE CONSEQUENCES TO HIM
SELF.

CAPTAIN STRONG! HE WOULDN'T
I CAN'T FIND T.J. HE'S
NOT AROUND. HE'S
GONE! HE WOULDN'T
HAVE BEEN
FOOLISH ENOUGH
TO LEAVE THE
POLARIS.

THISTLE PROBABLY WENT OUT TO TRY TO FIND FOOD. I KNOW WHAT HE'S GOING TO DO, BUT I'LL LEAVE WHAT YOU DO—TO YOU.

TENSELY APPROVES GURRING. THREE AVOIDING ANGELS CHARGE BUT SUDDENLY THE CHARGE IS HALTED. SUDDENLY, THREE PAIRS OF EYES WIDEN IN AMAZEMENT...

"H. GUYS! COME ON IN AND MEET MY FRIENDS."

"WELL, I'LL BE A BARTON HOUSE! WHY? THEY'RE WAITING ON HIM, AN' TROUGH HE WERE THEIR LORD AN' MASTER!"

"I AM IN A WAY ANYWAY! COME ON IN, FELLERS, IT'S SAFE."

"SURE MAYBE, BUT AS FAR AS I CAN SEE THESE WOLF MEN ARE STILL JUST THAT—WOLVES AND WOLVES ARE DANGEROUS ON YOUR FEET, THISTLE, YOU'RE TAKING YOU OUT OF HERE!"

BUT T.J. DOES NOT MOVE. INSTEAD, HE GRINS—AND PLACES A HAND ON THE HEAD OF ONE OF THE WOLF MEN.

"GREAT—JUMPING JETTS! THAT THING ACTUALLY SEEMS DELICIOUS WITH PLEASURE BECAUSE HE'S TONGUING IT! I DON'T GET IT!"

"FAR FROM IT! THEY'RE BELL HOUSES, OR DESCENDED FROM WOLVES. SINCE WHEN HAVE WOLVES WANTED TO BE FRIENDLY WITH HUMAN BEINGS?"

"THESE DO, SIR. THEY WANT IT REAL BAD. I TOLD YOU, WE MADE A LITTLE JUSTICE!"

T.J. PAUSES DRAMATICALLY, BUT THEN HIS SMILE BREAKS OUT AGAIN. AND THIS TIME THE OTHERS HAVE TO GRIN ALSO, EVEN IF THEIR GRINS ARE A LITTLE SHEEPISH!

"YOU SEE, SIR, THEY ARE DESCENDED FROM ANIMALS. EVOLUTION PLAYS ALL KINDS OF FUNNY TRICKS, BUT IT WASN'T POLICE THEY EVOLVED FROM, IT WAS—DOGS!"

IDENTIFY EVEN THE STRANGEST STAMPS—at a glance!

Now, no stamp need puzzle you—no matter how strange it looks. Look up the Scimitar script on the enlarged stamp

at left. How could you possibly tell what language it came from. But with the stamp identifier at your side—

you merely match the stamp with our illustrations and you instantly know that it came from Jordan.

Free

Valuable Stamp Collector's Reference Map and Guide Offered FREE to Get Bonus for Our Mailing List

YOU'LL use this GIANT world map and stamp guide as long as you collect stamps. It's a treasure chest of valuable information, featuring the latest, most accurate stamp issuing countries in the world. Tells you fascinating facts you want to know about the country. Displays the strangest stamps on the face of stamps—and tells you of a place just what country issued them.

A **Handsome Addition to Any Stamp Collector's Room**

The Philatelic World Map & Guide is well-known and respected among stamp fans all over the country. Comes plain and up-to-date. Spreads up to 2 SQUARE FEET to make a big handsome wall map you'll be proud to display. While our supply lasts—we'll send it to you FREE together with a beautiful stamp album for your appreciation. No obligation. But hurry. Offer may be withdrawn at any time. Mail coupon TODAY.

1 WORLD MAP

authentic Mercator projection map, used by air and sea navigators.

2 STAMP FINDER

identifies stamps around the world—in more than 100 strange thin script letters.

3 ENCYCLOPEDIA OF STAMP-ISSUING COUNTRIES

Tells area, location, population, parent country, etc.

The Philatelic World Map & Guide

OPENS UP TO HANDSOME WALL MAP FOR YOUR ROOM OR DEN—2 SQUARE FEET!

1000 STATISTICS & GUIDE

Also Free! 30 MUCH-WANTED FOREIGN STAMPS

SAN MARINO

Three beautiful stamps from this tiny, medieval town in Italy.

CAMBODIA

Three stamps from this small, peaceful nation.

GERMANY

Three stamps from this great nation.

CHINA

Three stamps from this great nation.

If you hurry—we'll also send you 30 stamps that your stamp-collecting friends will envy you for. Even at our famous low price, we'd normally have to charge you over half a dollar for these stamps. But to make a host of new friends quickly, we're offering all 30 FREE together with the valuable FREE world map and stamp guide above. But hurry. Mail coupon today. If coupon is missing—mail 1¢ (to help cover postage, handling) to: LITTLETON Stamp Co., Dept. 7-502 Littleton, N. H.

SHIMOTSU
David's one of the most famous stamps of the East!

ENTER THE FREE STAMP GUIDE

Please send the FREE world map and guide to the editor of the Philatelic World Map and Guide and the editor of the 1000 Statistic & Guide. Include stamp for learning stamp values for me (optional). I understand I will not be asked to pay any money for this guide or map. I understand that no money will be asked for postage and handling of world map and stamps.

Abstract

A person is looking at a framed picture of a dog. The picture shows a dog sitting on a green surface, possibly grass, with a yellow object in the background. The person is wearing a light-colored shirt and is looking at the picture with a focused expression.

MATHEMATICS
Made Simple

By A. BRIDGES, M.A., College of the City of N. Y., and H. BRIDGES, B.S., Royal Business School, London. This book contains all the essential mathematics for the student of science, engineering, commerce, and the professions. It covers all the essential mathematics for the student of science, engineering, commerce, and the professions. It covers all the essential mathematics for the student of science, engineering, commerce, and the professions.

ENGLISH
Made Simple

By ARTHUR BRIDGES, M.A., College of the City of N. Y., and H. BRIDGES, B.S., Royal Business School, London. This book contains all the essential English for the student of science, engineering, commerce, and the professions. It covers all the essential English for the student of science, engineering, commerce, and the professions.

PHYSICS
Made Simple

By BEN H. FENNELL, B.S., American Institute of Physics, Rutgers University. This book contains all the essential physics for the student of science, engineering, commerce, and the professions. It covers all the essential physics for the student of science, engineering, commerce, and the professions.

THE ART OF SPEAKING
Made Simple

By BEN H. FENNELL, B.S., American Institute of Physics, Rutgers University. This book contains all the essential art of speaking for the student of science, engineering, commerce, and the professions. It covers all the essential art of speaking for the student of science, engineering, commerce, and the professions.

EVERYDAY LAW
Made Simple

By JOHN LEWIS, Attorney at Law, Boston, U. S. A. This book contains all the essential everyday law for the student of science, engineering, commerce, and the professions. It covers all the essential everyday law for the student of science, engineering, commerce, and the professions.

WORD MASTERY
Made Simple

By ARTHUR BRIDGES, M.A., College of the City of N. Y., and H. BRIDGES, B.S., Royal Business School, London. This book contains all the essential word mastery for the student of science, engineering, commerce, and the professions. It covers all the essential word mastery for the student of science, engineering, commerce, and the professions.

CHEMISTRY
Made Simple

By BEN H. FENNELL, B.S., American Institute of Physics, Rutgers University. This book contains all the essential chemistry for the student of science, engineering, commerce, and the professions. It covers all the essential chemistry for the student of science, engineering, commerce, and the professions.

BUSINESS LETTER WRITING
Made Simple

By BEN H. FENNELL, B.S., American Institute of Physics, Rutgers University. This book contains all the essential business letter writing for the student of science, engineering, commerce, and the professions. It covers all the essential business letter writing for the student of science, engineering, commerce, and the professions.

MONEY BACK GUARANTEE
Return the books for FULL REFUND, MONEY REFUND IN FULL.

SPANISH
Made Simple

By BEN H. FENNELL, B.S., American Institute of Physics, Rutgers University. This book contains all the essential Spanish for the student of science, engineering, commerce, and the professions. It covers all the essential Spanish for the student of science, engineering, commerce, and the professions.

SPACE ROCKETS ARE FUN

FOR FULL INFORMATION ON SPACE ROCKETS

IT'S EASY TO KNOW ALL ABOUT SPACE ROCKETS WITH THE COMPLETE SPACE ROCKETEER

The Complete Space Rocketeer also contains information on:

1. Space Suits—How to make them and what they will have to be like for real space travel.
2. Rocket Motors—How they work and how to make them.
3. Rocket Fuel—How to make it and how to use it.
4. Space Platforms—How the first rocket will be launched to the moon.
5. Day and Night Landing—How to land and take off.
6. Space Rockets—How to make them and how to use them.
7. Space Rockets—How to make them and how to use them.
8. Space Rockets—How to make them and how to use them.
9. Space Rockets—How to make them and how to use them.
10. Space Rockets—How to make them and how to use them.

Enjoy many days and weeks of fun with the COMPLETE SPACE ROCKETEER. Takes the mystery out of space travel and shows exactly what to do. When you follow the easy instructions it will be a snap to launch your own rockets. Everything is simply explained and the show how pictures are easy to understand.

You'll enjoy your comic magazines and television programs much more when you get the Complete Space Rocketeer because you'll be able to understand by doing and seeing for yourself.

BRAND NEW! JUST OUT!

The Complete Space Rocketeer is brand new and you can only get it from us, it is not on sale at stores yet.

Be the first to try THE COMPLETE SPACE ROCKETEER

\$1 ONLY

Send for yours now and we will rush it by return mail. Remember it's only \$1.00 and we guarantee you'll like it. Return it and you'll immediately get your money back.

SEND TO DAY

STRAVON
42 West 21st St.
New York 23, N. Y.

Over 21,000

O.K. How is my dollar. Both my Complete Space Rocketeer by return mail. Unless completely satisfied I can return it and get my dollar back.
